7. Winner Selection, Notification and Skill-Testing Question

On October 19, 2026, the Sponsor will conduct a random draw from all eligible standard and bonus entries received during the Sweepstakes Period to select five (5) potential winners. Each valid standard or bonus entry will be treated as a separate entry in the draw. The odds of winning depend on the total number of eligible entries received.

Potential winners will be contacted by direct message on Instagram or Facebook, as applicable, on or about October 19, 2026. A potential winner must respond within forty-eight (48) hours of the Sponsor's first notification attempt.

To be declared a winner, a potential winner must: (i) meet all eligibility requirements and otherwise comply with these Rules; (ii) correctly answer, without assistance, a mathematical skill-testing question; and (iii) provide the information reasonably required by the Sponsor to verify eligibility and arrange delivery of the prize.

If a potential winner does not respond within forty-eight (48) hours, cannot be contacted, fails to correctly answer the skill-testing question, fails to satisfy the eligibility requirements, declines the prize, or otherwise does not comply with these Rules, that potential winner will be disqualified and the Sponsor may select an alternate potential winner by random draw from the remaining eligible entries. The Sponsor may repeat this process as necessary, subject to applicable law.

8. Verification and Administration

All entries, entrants and potential winners are subject to verification by the Sponsor. The Sponsor's decisions concerning the administration of the Sweepstakes, including eligibility, entry validity, winner selection and disqualification, are final and binding, subject to applicable law.

The Sponsor reserves the right, in its sole discretion, to disqualify any entrant who tampers or attempts to tamper with the entry process or operation of the Sweepstakes, acts in a disruptive or unfair manner, violates these Rules, or engages in conduct that could damage the reputation or legitimate operation of the Sweepstakes.

The Sponsor reserves the right, subject to applicable law, to cancel, suspend, modify or terminate the Sweepstakes, in whole or in part, if fraud, technical failures, platform outages, unauthorized intervention, human error or any other cause beyond the Sponsor's reasonable control affects or could affect the administration, security, fairness, integrity or proper conduct of the Sweepstakes. If the Sweepstakes is terminated early, the Sponsor may select winners from eligible entries received before the termination, if appropriate.

Under no circumstances will the Sponsor be required to award more prizes than the number stated in these Rules.

The Released Parties are not responsible for lost, late, incomplete, inaccurate, stolen, misdirected or undelivered entries or communications; technical or platform failures; internet, network, hardware or software problems; account or privacy settings that prevent content from being viewed or messages from being delivered; or any other error or event beyond their reasonable control that may affect participation in or administration of the Sweepstakes.
